

Foglio n. 1

- 1) Le facoltà assunzionali delle Università.
- 2) Il programma triennale delle Opere Pubbliche.
- 3) Gli organi di controllo interni ed esterni, con specifica attenzione a quelli previsti nell'Università del Sannio.

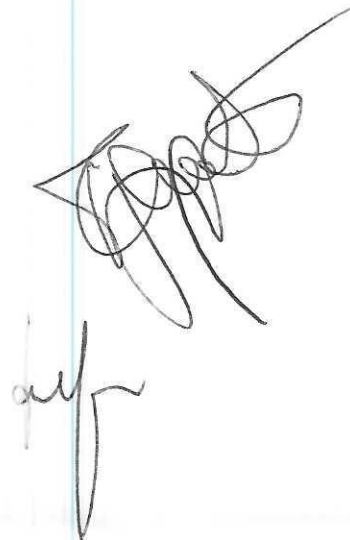

- 4) Contabilità generale e contabilità in U-GOV: uso e differenze.
- 5) In the last twenty years in Italy there have been several administrative reforms that have characterized the public sector; a central role was played by the reforms concerning the accounting systems. Different accounting rules have been defined for the different categories of organizations. The different categories of organizations have been redesigned according to business models centered on autonomy and orientation to results.

A handwritten signature in black ink, consisting of a stylized, cursive script that is difficult to decipher.A second handwritten signature in black ink, also in a cursive style, appearing below the first signature.

Foglio n. 5
