NOTICE

All candidates shown in the list are admitted to the exams under conditions. The administration, at any time during the selection procedure, may exclude candidates who do not meet the admission requirements established by current legislation and the public selection notice.

The interviews will last a maximum of 20 minutes. Candidates are invited to prepare a presentation on the research topic they intend to propose, also using audiovisual means, lasting a maximum of 12'.

The interview will take place in person for Italian candidates called for 13 October 2023 and in "remote" mode via the "Webex" platform for foreign candidates called for 20 October 2023. Candidates who will carry out the interviews remotely they will receive, the day before the interview, an invitation with the passwords to access the virtual room.
